Dear Sirs:

This is a supplemental correspondence to make you aware that a copy of a Petition to Revive was submitted with this new application which also contained the Patent Office Auto Reply so that this client does not get charged the \$750 Petition to Revive filing fee twice.

This Petition to Revive was originally submitted to the Patent Office via facsimile on May 2, 2006.

Thank you for your assistance in this matter.

Very truly yours,
/randi flamenbaum/
